Just so you know, your closest...

Grocery Store is located...

Safeway is at the corner of Jefferson & West Capitol, but if you prefer **Raley's** - or the Pete's coffee inside - it's just a little farther down at 1601 West Capitol Ave (with a nice little natural foods section). For a shopping delight, take a field trip to the **Nugget Market** down Jefferson Blvd or the **Sacramento Natural Foods Co-op** in midtown.

Farmer's Market is located...

Every Thursday from May through October at the Downtown Plaza from 10am to 2pm there's a certified **farmer's market** in the plaza at 4th and K Street between Macy's and the Holiday Inn. Love those fresh veggies!

Drug Store is located...

Rite Aid and **Walgreens** are right across from each other at the intersection of Jefferson Blvd and West Capitol Ave.

Russian Market is located...

There is a thriving Russian community here in West Sac and you can try out a few favorites (like Lithuanian icecream) at **Europa Foods** is at 3049 W Capitol Ave. And we hear that Arnie likes to eat at one of the restaurants right near there- not sure which one's his fav.

Post Office is located...

Your closest **US Post Office** is down at 900 Sacramento Ave. (in with Arteaga's market) and the main post office is at 1601 Merkley Ave.

Library is located...

Head over to 940 Jefferson Blvd. for the **Yolo County Library** (if you're new to Yolo County, don't forget your new Library card). They have great children's reading programs and a weekly adult book club!

Bike Shop is located...

Don's Bike Shop is at 1025 Drever Street. They do repairs and they specialize in 3-wheelers, those are fun bikes!

Hardware Store is located...

For just about anything you need, **Hollywood Hardware** is the place to go- 1551 Merkley Ave- they even have lumber and a garden section. And of course, if you can't find it there, **Home Depot** is down at Reed Ave by Ikea.

Thai Restaurant is located...

Over at 1001 Jefferson Blvd there's a little hidden Thai restaurant called **Vientiane Restaurant**- it'll satisfy your craving!

Mexican Restaurant is located...

We've eaten many good meals over at **Sal's Tacos**, just a few steps away at the corner of 4th & C Street, famous for their mosaics and brimming salsa bar, but our favorite taqueria in the entire Sacramento area is **Taqueria Ay Jalisco** at 905 Park Blvd, right as you get off the highway on Jefferson Blvd. More tacos, please!

Indian Restaurant is located...

For a good deal on an Indian lunch buffet (or to mingle with City staff who we often see ducking in here around the noon hour) head over to **Pooja Indian Grill** at 1223 Merkley Ave.

Coffee Shop is located...

Well, we sure hope one opens up at 3rd and C Street real soon, but for now you can go over to **La Bou** at Jefferson and Merkley Ave or the **Pete's Coffee and Tea** at Raley's. Or head over the I Street Bridge to **Steamers Cafe** in Old Town or the **Starbucks** at the Train Depot.

Movie Rental is located...

In case the Netflix that arrives just isn't what you are in the mood for, there's a **Blockbuster** at the corner of Jefferson & West Capitol in the Safeway shopping center. And there's one of those nifty new Redbox things at the Raley's shopping center!

Greasy Spoon Diner is located...

Okay, so this may not be for everyone, but if you have a weakness for old-fashioned diners, the best in town is **Nick's Diner** at West Capitol and Harper- they've got it all down to the jukebox and red vinyl booths.

Bowling Alley is located...

For good clean fun, **Capitol Bowl** is just down at 900 W Capitol Ave.

Thrift Store is located...

We've spotted a great big **Goodwill** at West Capitol and Harbor Blvd- haven't been yet, but it looks like a treasure trove!

Burger Joint is located...

Whitey's Jolly Kone is just about the ultimate in West Sacramento icons and it's a treasure if you like good ol' burgers and shakes. It's on Jefferson Blvd and 13th Street- you'll know you've found it when you see the line of people waiting for their peanut butter shakes and korn dogs! If you aren't into meat, they serve garden burgers and deep fried mushrooms, too.

Mini-Mart is located...

For those times when you've run out of milk or have a hankering for an Bit-o-Honey, there are two little mini-markets nearby- **The Bridgeview Market** at 330 3rd Street or **Lighthouse Market** at the corner of 5th and C Street.
